#### WHAT IS THE RIDE & DRIVE ROADSHOW?

The Ride & Drive Roadshow is your opportunity to join Smart Columbus in leading our community's shift to electric vehicles and other transportation alternatives. You'll be guided through an interactive experience about the Smart Columbus initiative and the benefits of electric vehicles. Most important, you'll have the opportunity test drive one of the many electric vehicles on the market today.

### **ABOUT SMART COLUMBUS**

Smart Columbus is the smart city initiative for the Columbus Region. We have a vision that starts with the reinvention of mobility, which will lead us to a future beyond what anyone has yet imagined.

Smart Columbus is working to deploy more affordable, reliable and sustainable transportation options in central Ohio, and encourages everyone in our community to drive electric and share more. The Ride & Drive Roadshow is your opportunity to learn how you can get on board.

Join us on June 30th from 9AM - 2PM

to learn more and test drive a vehicle!
